

THE REGIONAL MUNICIPALITY OF NIAGARA
PUBLIC HEALTH AND SOCIAL SERVICES COMMITTEE

REPORT 17-2007

Minutes of a meeting of the Public Health and Social Services Committee held in Committee Room 4, Regional Municipal Building, 2201 St. David's Road, Thorold, Ontario, on Tuesday, December 11, 2007 at 2:00 p.m.

ATTENDANCE

Committee: Councillors Baty, Co-Chair; Casselman, Co-Chair; Collins; Cordiner; Forster; Henderson; Marshall; Rigby; Timms.

Staff: Mr. Trojan, Chief Administrative Officer; Mr. Hutchings, Commissioner, Community Services; Dr. Williams, Medical Officer of Health; Ms. Reilly, Legislative Assistant.

Staff

Part-time: Community Services Dept.: Ms. Heidebrecht, Director, Children's Services; Ms. Pennisi, Director, Social Assistance and Employment Opportunities; Mr. Ventresca, Director, Seniors Services; Ms. Watson, Manager, Community Services.

Public Health Dept.: Ms. Biscaro, Director, Family Health Division; Mr. Christensen, Director, Environmental Health; Mr. Cunnane, Director, Emergency Services Division; Dr. Feller, Associate Medical Officer of Health; Mr. Hudgin, Manager, Environmental Health; Mr. Jones, Director, Administrative Services; Ms. LaCroix, Manager, Infectious Disease Program; Mr. Laflamme, Manager, Environmental Health; Mr. McKay, Cost Analyst; Ms. Peacefull, Community Development Manager; Dr. Sider, Associate Medical Officer of Health; Mr. Van Valkenberg, Manager, Administration, EMS.

Administration: Mr. Pilon, Executive Assistant to Regional Chair.

Corporate Services: Mr. Bergsma, Commissioner, Corporate Services; Mr. Lockyer, Treasurer/Director, Financial Management Planning; Mr. Moffatt, Manager of Property Management.

Public Works: Mr. Steele, Project Manager.

Others: Councillor Goulbourne; Ms. Jill Cappa, Niagara Physician Recruitment & Retention Coordinator; Mr. Sathya Gnaniah, Project Manager, Niagara Immigrant Employment Council; Mr. Bill Helmeczi, Niagara Child and Youth Services; Mr. Deny Prevost, Fire Chief, City of Welland/Regional Fire Coordinator.

CORRESPONDENCE

267. Moved by Councillor Collins
Seconded by Councillor Rigby

That Communication PHSS 41-2007, from Jill Cappa, Niagara Physician Recruitment & Retention Coordinator, respecting A Program of Heart Niagara – January 2007 to September 2007 Report, be received.

Carried.

PRESENTATIONS

268. Fire Involved Program/TAPP-C

Mr. Bill Helmeczi, Director of Clinical Services, Niagara Child and Youth Services, attended to apprise Committee of the Fire Involved Program/TAPP-C. He advised that Niagara Child and Youth Services is the primary provider of children's mental health treatment in Niagara. They provide a broad spectrum of treatment services and programs, delivered by highly qualified staff to strengthen children and families and serve all children and youth from birth through to their eighteenth birthday. He commented that the Centre for Addictions and Mental Health, Ontario Student Drug Use Survey (OSDUS), stated that fire setting among children and youth is a behaviour that carries significant health, social and economic costs. It is also a symptom of current and future conduct and emotional problems. Fires are the leading cause of death in the home for children under the age of five. The National Fire Prevention Association reports that of all the young children who died in home fires last year, one third set the fires that killed them. Children under the age of 12 set almost half of all structural fires. The OSDUS study of youth fire behaviour (2005) claims that in grades 7-12, 27.2% (271,800) of Ontario students admitted setting an unnecessary fire; 33.8% were male and 20.4% female; 13.5% set three or more fires. This behaviour peaks in grades 9 and 10.

TAPP-C was developed as a joint venture of the Centre for Addiction and Mental Health, the Office of the Fire Marshall of Ontario, and the Toronto Fire Services. Each of these organizations continues to provide TAPP-C with ongoing support. The Arson Prevention Program for Children (TAPP-C) was developed in the early 1990s as an empirically-based assessment and intervention program to address the fire setting behaviours of children and youth. TAPP-C is a collaborative program that brings together fire services and mental health professions to work with children, teens and their families to eliminate dangerous fire-related behaviours.

Mr. Helmeczi highlighted the Niagara TAPP-C Protocol for 2007 and the various Fire Departments involved in the program as well as the Children's Mental Health providers.

Mr. Helmeczi summarized what the protocol provides:

- Outlines the roles and responsibilities of the services involved
- Clarifies how the sharing of information will take place (including requirements)
- Clarifies how the sharing of information will take place (including requirements)
- Describes the Intake and Referral Process
- Shows how services will be tracked
- Clarifies what will be the complaint process

Mr. Helmeczi outlined the referral process as it relates to the fire departments, Contact Niagara and the Niagara Child and Youth Services. He briefly described the assessment and treatment plans that follow. The NCYS treatment program follows "TAPP-C: Clinician's Manual for Preventing and Treating Juvenile Fire Involvement". Mr. Helmeczi advised that the TAPP-C program has been evaluated by the Canadian Association of Mental Health and found after the program, a year later, about 75% of children/youth had not set another fire. NCYS is presently doing a more in-depth evaluation. Lessons learned to date, were noted as follows:

- Children/Youth referred to the program most often have accompanying mental health/behaviour disorders and in most cases these are server.
- This determines the length of service which is most often longer than fire-specific treatment.
- Children/youth under-report the number of fires they set to parents by a factor of 3-5 times what they will admit to.

Mr. Deny Prevost, Fire Chief, Welland and Regional Fire Coordinator, advised the TAPP-C Program is approximately ten years old and that he has been involved for more than five years. He commented that the TAPP-C program assists parents and youth and is supportive oriented rather than punishing, noting that the fire setting problem is throughout Niagara. Chief Prevost commented that he was pleased to see that the TAPP-C Program was before Committee. Mayor Goulbourne highlighted the diverse mental health needs of children who set fires, and the paucity of regional resources for mental health needs. He requested that Public Health review and report back.

Moved by Councillor Rigby
Seconded by Councillor Cordiner

That the presentation by Bill Helmeczi, Niagara Child and Youth, regarding the Fire Involved Program (TAPP-C), be received and referred to Public Health for report.

Carried.

269. 2008 Current and Capital Budgets
Community Services Department

Mr. Brian Hutchings, Commissioner, Community Services Department, presented the Community Services 2008 Budget. He highlighted information from the Budget Review Committee of the Whole meeting of November 29th wherein Mr. John Bergsma, Commissioner, Corporate Services Department, apprised the Committee of the guideline set by Regional Council of 3.4% which would denote a levy impact of \$9.2 million and rate impact of \$4.2 million for a total of \$13.4 million. It was noted that the guideline has been achieved and the proposed budget represents a levy impact of \$4.8 million and rates impact of \$4.2 million for a total of \$9.0 million. The combined impact on a typical householder would be an increase of \$26 for 2008 over 2007.

Mr. Hutchings highlighted information related to the Capital Budget that was also presented at the November 29th Budget Review Committee of the Whole meeting, noting that the following guiding principles were used in preparation of the 2008 Capital Budget:

- Meet infrastructure needs
- Manage financing
- Split debt limit into “levy” and “rate”
- Stabilize levy
- Match rate financing to asset life

The 2008 summary of capital projects was presented for a total of \$118 million. A chart depicting the 2008 Capital vs. prior years from 2001 to 2007 was also provided.

Issues impacting the Capital Budget, to be addressed in a revised Capital Budget Strategy in the first and second quarter of 2008 for 2009 and beyond, were described as follows:

- Debt charge increases
- Development Charges
- Infrastructure needs and funding
- Police facilities
- Cash flow forecasts
- Affordability/sustainability

Mr. Hutchings advised that the Community Services Department served 52,301 clients in the Niagara Region. Some of the challenges and priorities impacting on the budget include developing a community planning mechanism; child poverty; expansion of early learning and child care; and providing an increased level of care for seniors.

The proposed 2008 Community Services budget totals net expenditures of \$61,134,105 which is a decrease of \$3,393,648 over the approved 2007 budget.

This represents a gross expenditures decrease of 4.49%; a net expenditures decrease of 5.26% and a decrease in Provincially operated programs of 11.83%.

Mr. Hutchings highlighted the programs and issues impacting the budget as follows:

Provincially Operated Programs	
• Ontario Drug Benefit Uploading	\$(6,598,883)
• Increased Administration and Allowances and Benefits	<u>2,466,954</u>
	<u>\$(4,131,929)</u>
Ontario Works Allowances and Benefits	\$ 617,687
Ontario Works Administration, Hostels and Homelessness, children's Services and Seniors Services Budget Allotment (2.13%)	
Seniors Debt Charges	\$ (471,970)
Council Initiatives	140,000
Family Day Additional costs	<u>126,743</u>
Community Services Proposed Budget	\$(3,393,648)

A breakdown of each program areas gross and net expenditures and net changes was also provided.

An organizational chart and a breakdown of staff was presented indicating a total of 1,013.9 FTE (for 2008) or increase of 13.8 over 2007.

Mr. Hutchings highlighted the program objectives and fiscal challenges of the Provincially Operated Programs.

The Provincially Operated Programs amount to total net expenditures of \$30,782,127 or a net change of \$(4,131,929). This is attributable to decreased expenditures to support Provincially Operated Programs of \$20.9 million gross/\$4.1 million net expenditures as a result of Provincial uploading of Ontario Drug Benefits.

The proposed 2008 Social Assistance & Employment Opportunities Budget totals net expenditures of \$19,335,288 which represents an increase of \$976,113. This increase is attributable to an Ontario Works caseload increase of 3% and Ontario Works allowance increase of 3% and changes associated with earnings regulations and benefits. The Commissioner briefly described the Social Assistance & Employment Opportunities program developments, quality highlights and key outcome indicators.

The proposed 2008 Children's Services Budget totals net expenditures of \$5,340,782 which represents a net change of \$20,928. This is attributable to inflationary increases in cost of labour, supplies & utilities (approximately 3%) not being met by Provincial government. The Commissioner briefly described the Children's Services program developments, quality highlights and key outcome indicators.

The proposed 2008 Seniors Services Budget totals net expenditures of \$(258,760). This decrease is attributable to reduced debt charges. Other fiscal challenges facing the Seniors Services division include approximately 4% inflationary increase in cost of labour, supplies and services not being met with Provincial increase in base funding of 2.6% (exclusive of Acuity increase); provincial base funding increases do not keep pace with increasing resident care requirements; and uncertainty about labour costs due to scheduled arbitration for CUPE 1263 members for contract period June 2007 to December 31, 2008. The Commissioner briefly described the Seniors Services program developments, quality highlights and key outcome indicators.

The Community Services Department 2008 Budget was summarized as follows:

- Uploading of Ontario Drug Benefits portion of Provincially Operated Programs net of increased administration and caseload for ODSP allowance and benefits attributes to a reduction of \$4,131,929 on the Community services budget from 2007.
- Additional Provincial Best Start funding has allowed for a minimal increase of \$20,928 or .39% in Children's Services; however, the continued roll out of income based testing for child care may create an increased demand for services.
- Meet increased care needs and expectations with additional staff funded by the anticipated \$1 million increase in Provincial CMI funding for 2008.

The proposed 2008 Community Services Capital Budget totals \$6,100,000 (\$6,000,000 - Seniors Services and \$100,000 - Children's Services).

Moved by Councillor Rigby
Seconded by Councillor Cordiner

That the presentation by Brian Hutchings, Commissioner, Community Services Department, regarding the 2008 Current and Capital Budgets, Community Services Department, be received.

Carried.

(Refer to Councillor Information Requests.)

270. 2008 Current and Capital Budgets
Public Health Department

Dr. Robin Williams, Medical Officer of Health, provided an overview of the Public Health Department 2008 budget priorities.

Mr. Robert Jones, Director, Administration, provided an overview of the proposed 2008 Public Health Department Budget. The budget amounts to net expenditures of \$20,168,531 which represents an increase of \$1,695,465 or 9.18% over 2007 approved budget. Mr. Jones provided a breakdown of the various programs and issues impacting the budget.

An organizational chart and breakdown of staff was presented indicating a total of 637.2 FTE (for 2008) or decrease of 8.75 over 2007. Mr. Jones highlighted the Public Health Department's 2008 budget fiscal challenges.

The 2008 proposed budget for Mandatory (General) Programs (including West Nile Virus) amounts to net expenditures of \$6,593,712 which represents an increase of \$195,345 or 3.05%. Mr. Jones highlighted the Mandatory Programs objectives and challenges.

The proposed 2008 100% Funded Programs budget amounts to gross expenditures of \$8,084,767, representing an increase of \$97,372 over the 2007 approved budget. Mr. Jones highlighted the 100% funded programs 2008 budget challenges.

Mr. Steve Van Valkenberg, Manager, Administration, EMS, provided an overview of the Emergency Services Division proposed 2008 budget. The proposed 2008 budget amounts to net expenditures of \$13,574,681 representing an increase of 12.42% over the 2007 approved budget. Mr. Van Valkenberg highlighted the Emergency Services Division program objectives and challenges as well as the division's performance measures. It was noted that Niagara is second lowest cost of all OMBI members; first in ambulance response time performance and first in overall response time (ambulance and dispatch). Niagara EMS is the highest performing system (Fleet/Dispatch) at one of the lowest operating costs in the province. Dispatch is a major factor in system performance and cost avoidance.

The Ambulance Communications proposed 2008 budget totals gross expenditures of \$4,404,055, representing an increase of 351,837 over the approved 2007 budget. This increase is offset by revenues of the same amount. Mr. Van Valkenberg highlighted the Ambulance Communications challenges.

The proposed 2008 Public Health Department Capital Budget was presented at a total cost of \$3,510,000. (Welland Health Unit - \$2,600,000 and Ambulance and Related Equipment - \$910,000).

Moved by Councillor Rigby
Seconded by Councillor Timms

That the presentation by Dr. Robin Williams, Medical Officer of Health, Mr. Robert Jones, Director of Administration and Mr. Steve Van Valkenberg, Manager, Administration, EMS, respecting the 2008 Current and Capital Budgets, Public Health Department, be received.

Carried.

(Refer to Councillor Information Requests.)

ITEMS FOR CONSIDERATION

271. **Water Filter Fund**
COM 57-2007

Moved by Councillor Timms
Seconded by Councillor Cordiner

That Report COM 57-2007, December 11, 2007, respecting the Water Filter Fund, be received.

That this Committee recommend to Regional Council that Community Services be authorized to receive one-time funds in the amount of \$151,360 funded at 100% by the Ministry of Community and Social Services (MCSS) to implement the new Water Filter Fund (WFF).

Carried.

272. **Update to COM 49-2007 – Border Crossing Activity**
COM 59-2007

Moved by Councillor Rigby
Seconded by Councillor Cordiner

That Report COM 59-2007, December 11, 2007, respecting the Update to COM 49-2007 – Border Crossing Activity, be received; and

That Regional Council approve the following resolution, attached as Appendix A to the report:

Resolution regarding the Impacts of Immigration on Municipalities:

“Whereas increased enforcement of immigration legislation in the United States may be contributing in significant increases in the number of people claiming refugee status in Canada;

And whereas, the increased numbers of refugee claimants are adding significant costs to Ontario municipally delivered social assistance and homeless shelter services;

And whereas, these costs to municipalities are increasing due to the length of time it takes the Federal government to adjudicate these refugee claims;

And whereas, refugee claims and work permits can take many months to process, adding to stress on the families fleeing to Canada while they remain dependent on shelters and social assistance;

And whereas, the processing of refugee claims, and all decisions related to Immigration is the sole responsibility of the Federal government;

And whereas, the Provincial government is responsible for sharing the cost of social assistance program and administration costs;

And whereas, both the Federal and Provincial governments continue to enjoy significant budget surpluses while municipalities struggle to meet the needs of their communities;

Therefore be it resolved, that the Provincial government be requested to provide full funding for social assistance, shelter, basic needs, health care, settlement and related administration costs associated to the influx of these refugee claimants;

And further, that the Federal government be requested to expedite immigration processes for refugee claimant meetings, refugee hearings, health clearance and work permits;

And further, that the Heads of Council of Hamilton, Niagara, Peel, Toronto and Windsor work collectively to advocate for the above;

And further, that the Niagara Region area MPs and MPPs be requested to advocate on the Region's behalf on this issue with their governments;

And further, that the Ontario Caucus of the Canadian Federation of Municipalities (FCM) be requested to obtain and review the Canadian-Provincial Immigration Agreements that are currently in effect;

And further, that a copy of this resolution be sent to the Ministers of Citizenship and Immigration Canada and Ontario, the Minister of Human Resources Development Canada, the Minister of Community & Social Services of Ontario and the Ontario Caucus of the Federation of Canadian Municipalities (FCM)"; and

That the Regional Chair communicate with the Mayors of Hamilton, Toronto, Windsor and Peel regarding the recommendations detailed in the resolution.

Carried.

273. 2007 Ontario Smoke-Free Funding Agreement
PHD 74-2007

Moved by Councillor Cordiner
Seconded by Councillor Henderson

That Report PHD 74-2007, December 11, 2007, respecting the 2007 Ontario Smoke-Free Funding Agreement, be received; and

That the 2007 Ontario Smoke-Free Funding Agreement be approved and that the Regional Chairman be authorized to sign the funding agreement document.

Carried.

274. Terms of Reference for the Establishment of a Project Development Structure To Manage the Implementation of the Wainfleet Servicing Project
PHD 79-2007 (CSD 178-2007/PWA 173-2007/DPD 130-2007)

Moved by Councillor Henderson
Seconded by Councillor Rigby

That Report PHD 79-2007 (CSD 178-2007/PWA 173-2007/DPD 130-2007), December 12, 2007, respecting Terms of Reference for the Establishment of a Project Development Structure To Manage the Implementation of the Wainfleet Servicing Project, be received;

That the organizational framework outlined in the report be established to carry out the tasks required to implement this next phase of the Wainfleet Servicing Project;

That members of the Standing Committees (Planning and Public Works, Corporate Services and Public Health and Social Services) be appointed to the Wainfleet Servicing Project Joint Advisory Committee, in accordance with this report;

That Wainfleet Township be requested to appoint representatives to the Wainfleet Servicing Project Joint Advisory Committee, the Project Team and the Public Liaison Committee, in accordance with this report; and

That the City of Port Colborne be requested to appoint a representative to the Wainfleet Servicing Project Joint Advisory Committee and the Project Team, in accordance with this report.

Carried.

(Please note that Report PHD 79-2007 (CSD 178-2007 / PWA 173-2007 / DPD 130-2007) can be found behind the JNT RPTS Blue Book Tab)

ITEMS FOR INFORMATION

275. Employment and Newcomers in Niagara
COM 58-2007

Moved by Councillor Forster
Seconded by Councillor Henderson

That Report COM 58-2007, December 11, 2007, respecting Employment and Newcomers in Niagara, be received for information.

Carried.

Quorum

There being a lack of ordinary quorum at the meeting, the Committee Chair determined that the ordinary quorum for the meeting be reduced to six members, pursuant to Section 22.10 of the Procedural By-law 96-2007.

276. Forecast of Year End Results and Budget to Actual
Comparison for the Month ended October 31, 2007
COM 60-2007

Moved by Councillor Henderson
Seconded by Councillor Forster

That Report COM 60-2007, December 11, 2007, respecting the Forecast of Year End Results and Budget to Actual Comparison for the Month ended October 31, 2007, be received for information.

Carried.

277. West Nile Virus and Lyme Disease Summary
PHD 75-2007

Moved by Councillor Forster
Seconded by Councillor Henderson

That Report PHD 75-2007, December 11, 2007, respecting the West Nile Virus and Lyme Disease Summary, be received for information.

Carried.

278. Social Marketing Initiatives Scheduled January to June 2008
PHD 76-2007

Moved by Councillor Cordiner
Seconded by Councillor Henderson

That Report PHD 76-2007, December 11, 2007, respecting the Social Marketing Initiatives Scheduled January to June 2008 and attachment, be received for information.

Carried.

279. Safe Water Program
PHD 77-2007

Moved by Councillor Cordiner
Seconded by Councillor Forster

That Report PHD 77-2007, December 11, 2007, respecting the Safe Water Program, be received for information; and

That Regional Council support initiatives by the Environmental Health Division to meet with municipalities that have public beaches, in order to:

- (i) Review changes to the Ontario Beach Management Protocol
- (ii) To discuss international beach management models.

Carried.

Conflict of Interest

Councillor Forster declared an indirect pecuniary interest with respect to Report PHD 78-2007 Mandatory Program: Control of Infectious Diseases, as she is a member of ONA and she therefore took no part in the discussion of, or voting on, this matter.

280. Mandatory Program: Control of Infectious Diseases
PHD 78-2007

Moved by Councillor Henderson
Seconded by Councillor Cordiner

That Report PHD 78-2007, December 11, 2007, respecting the Mandatory Program: Control of Infectious Diseases, be received for information.

Carried.

CORRESPONDENCE (continued)

281. Moved by Councillor Cordiner
Seconded by Councillor Timms

That Communication PHSS 42-2007 from Brian Hutchings, Commissioner, Community Services (November 28, 3007) regarding Follow up to COM 55-2007 – Receipt of “Emergency Department Action Plan” Funding for Seniors Community Programs and Report NRH 8-2007 regarding Aging in Place – Partnership Proposal, be received for information.

Carried.

OTHER BUSINESS

282. Provincial Auditor General’s Annual Report Chapter on
“Outbreak Preparedness and Management”

Dr. Sider briefly highlighted the Provincial Auditor General’s Annual Report chapter on “Outbreak Preparedness and Management”. The chapter addresses a number of concerns that arose during the audit of this component of the Ministry and Health and Long term Care’s roles and responsibilities, and includes the Ministry’s response to the recommendations made by the AG. Dr. Sider will forward this information to all members of Council in their courier packages this week.

283. Hamilton Niagara Haldimand Brant Local Health Integration Network (LHIN)

Councillors Baty and Casselman, Co-chairs, apprised Committee of the meeting with Ms. Juanita Gledhill, Chair and Pat Mandy, Chief Executive Officer, LHIN. Some of the issues that were discussed were Children’s Mental Health; Hospital and Long Term Care matters; the Emergency Action Plan for Social Housing; Aging at Home and Communications link. The LHIN staff and Board will be invited to a Councillor Business Planning Session in 2008.

284. Seniors Accreditation

Committee was advised that the Regional Chair, CAO and staff met with the Canadian Council on Health Services Accreditation as part of the leadership team.

CLOSED SESSION

285. Moved by Councillor Forster
Seconded by Councillor Timms

That this Committee do now meet in Closed Session for purposes of receiving information of a confidential nature relating to personnel, property and legal matters.

Carried.

Conflict of Interest

Councillor Timms declared an indirect pecuniary interest with respect to Report PHD 80-2007 (CSD 182-2007), December 12, 2007 as he has a family member who owns property that may be subject to Regional Development Charges and he therefore vacated the Committee room and took no part in the discussion of, or voting on, this matter.

286. Update - Proposed Acquisition of Property by the Municipality
City of Welland

Confidential PHD 80-2007 (CSD 182-2007)

Moved by Councillor Cordiner
Seconded by Councillor Forster

That Confidential Report PHD 80-2007 (CSD 182-2007), December 12, 2007, respecting the Update - Proposed Acquisition of Property by the Municipality, City of Welland, be received and the recommendations contained therein be approved.

Carried.

287. Proposed Acquisition of Property by the Municipality
City of St. Catharines

Confidential PHD 81-2007 (CSD 183-2007)

Moved by Councillor Forster
Seconded by Councillor Cordiner

That Confidential Report PHD 81-2007 (CSD 183-2007), December 12, 2007, respecting the Proposed Acquisition of Property by the Municipality, City of St. Catharines, be received and the recommendations contained therein be approved.

Carried.

288. Moved by Councillor Forster
Seconded by Councillor Cordiner

That this Committee do now rise with report.

Carried.

COUNCILLOR INFORMATION REQUESTS

- (i) Staff to advise what were the last 1 to 5 items removed from the Capital Budget and last 1 to 10 items removed from the Operating Budget in order to finalize the budgets. Request this information for all departmental budgets. (Baty) (Refer to minutes 269 and 270)

- (ii) Provide a larger, coloured copy of the Public Health Department Organizational Chart (which also outlines funding sources for the various programs), to all members of Council. (Committee) (Refer to minute 270)
- (iii) Clerk's Office email Councillors requesting a volunteer from each of the Standing Committees to serve on the Wainfleet Servicing Project Joint Advisory Committee. (Baty) (Refer to minute 274)

ADJOURNMENT

The Committee adjourned at 4:55 p.m., to meet again in Committee Room 4 on Tuesday, January 8, 2008 at 2:00 p.m.

Brian Baty
Co-Chair

Gail Reilly
Legislative Assistant

Judy Casselman
Co-Chair

Pam Gilroy
Regional Clerk
