

The Corporation of The
TOWN OF PELHAM

FROM THE OFFICE OF THE TOWN CLERK

PWC 9-2012

January 17, 2012

Kevin Bain, Regional Clerk
Region of Niagara
2201 St. David's Road, PO Box 1042
Thorold, ON L2V 4T7

Dear Mr. Bain:

**Re: Private Sector Remediation Under the Region of Niagara
Combined Sewer Overflow Funding Policy**

At their regular meeting of January 16th, 2012 Council for the Town of Pelham received a copy of the City of Port Colborne resolution regarding the Combined Sewer Overflow Funding Policy and endorsed the following resolution:

THAT Action Communication Item #3, Agenda Item 12.3 – City of Port Colborne being a resolution requesting the Region of Niagara to reconsider the Combined Sewer Overflow Funding Policy to include remediation of all sources of extraneous flows within the designated areas of study on a case by case basis be received, endorsed and supported and that the City of Port Colborne and Regional Municipality of Niagara be so advised.

Yours very truly,

(Mrs.) Nancy J. Bozzato, AMCT, ACST
Town Clerk

c.c. A. Grigg, Clerk, City of Port Colborne

Attach: City of Port Colborne resolution

Dear Kevin Bain:

Re: Private Sector Remediation Under the Region of Niagara Combined Sewer Overflow Funding Policy

Please be advised that, at its meeting of November 28, 2011, the Council of The Corporation of the City of Port Colborne resolved as follows:

Whereas the City of Port Colborne has partnered with the Region of Niagara since 2008 to eliminate Combined Sewer Overflows in this Municipality;

Whereas the elimination of extraneous flows at all sources defers Regional and Local Capital Funding costs for infrastructure upgrades and provides additional capacity for new development in Urban Areas;

Whereas current studies and initiatives on source control in Port Colborne provide clear evidence that a major source of extraneous flow originates from the private sector (sump pump connections);

Whereas the Region of Niagara has amended the conditions for eligibility for the Combined Sewer Overflow Funding Program in 2008 to exclude any funding for private sector remediation.

Now therefore the Council of The Corporation of the City of Port Colborne resolves as follows:

That the Region of Niagara reconsider the Combined Sewer Overflow Funding Policy to include remediation of all sources of extraneous flows within the designated areas of study, on a case by case basis.

That the Regional Municipality of Niagara be so notified.
