

COVID-19 Vaccination Request Form for Physicians and Primary Care

Mailing Address:

Niagara Region Public Health
 1815 Sir Isaac Brock Way
 P.O. Box 1052
 Thorold, ON L2V 0A2
 905-688-8248 Toll free: 1-888-505-6074 ext. 7396
niagararegion.ca/health

Please complete and return this form by fax to 905-688-4667.

COVID-19 vaccine orders can also be emailed to:
covid19vaccineorders@niagararegion.ca

Provide details of the clinic(s) planned (e.g., date(s), number of appointments booked, etc.).

COVID-19 vaccines are available to select primary care and specialist practices who are an approved COVID-19 vaccine administration site.

To order vaccine:

- Vaccine must be stored in a fridge that has been inspected by Public Health
- With every vaccine order, your site must provide a copy of your current 4 week fridge temperature log (up to present day)
- Vaccine will be transported in a frozen state from Public Health and will need to be thawed prior to administration. **This vaccine is not to be frozen or moved again.**
- If you are picking up COVID-19 vaccine, ensure your insulated cooler is prepared for transport (temperature kept stable between +2°C to +8°C) and equipped with a digital transport thermometer (maximum / minimum / current)
