

## Pedestrian safety rules

### Safety Rules for Pedestrians

1. Look all ways before you cross the street.
2. Cross at intersections and crosswalks, or where there is a clear view of traffic in all directions.
3. When crossing at a location with a crossing guard, always obey the crossing guard and only cross when the crossing guard instructs you to.
4. Do not play games near parked cars. Play in a safe place away from traffic.
5. Do not play in the roadway.
6. Obey traffic signals and signs.
7. Stop behind the curb or roadside.
8. Walk on the left side of the road, facing traffic, when there are no sidewalks.
9. Point your arm to cross the road.
10. Do not wear distracting equipment such as headphones.
