

Wheel safety scenario cards

Time: 45 minutes

Materials

- Wheel Safety Scenario Cards
- Wheel Safety Scenario Cards- Answer Key
- Decision Making Process- Teacher Copy
- Decision Making Process - Student Copy
- Guidelines for Role Play

Instructions

- Review the Decision Making Process- Teacher Copy with students by explaining the model and modeling an example
- Divide the students into small groups
- Assign each group one scenario and provide one copy of the Decision Making Process - Student Copy to each group
- Have the students analyze the scenario and each fill out the student worksheet
- Have each group explain their decision

Variation

- Have the students use their decision making model as a guide to create a dramatic response to their scenario
- Review the Guidelines for Role Play with the students
- Have the students practice their scenarios for about 10-20 minutes and then present to their classmates
