

# SCENARIO 1

You're visiting your cousin and your uncle lights a cigarette in the living room where you are playing.

## SCENARIO 2

You are walking home from school with a friend when he lights a cigarette. He holds out the pack and offers you one.

## SCENARIO 3

Your friend is concerned about her mother's smoking and asks you for some advice.

## SCENARIO 4

A group of popular grade 7 students offer you some chewing tobacco. One of them says, “Don’t worry, it’s not bad for you because you’re not smoking it.”

## SCENARIO 5

You see a group of kids making fun of your classmate for saying “no” when they offered him a cigarette.

## SCENARIO 6

Every time your older brother drives you to school, he smokes in the car.

## SCENARIO 7

You really look up to your older sister and she has recently started smoking.

## SCENARIO 8

You are playing Truth or Dare with your friends and one of them dares you to smoke a cigarette he got from his cousin.
