

Learning Activity

Every puff you take

Time: 10 minutes

Materials

- [Every puff you take matching worksheet](#)
- [Every puff you take answer sheet](#)

Instructions

- Distribute the 'Every puff you take' worksheet to the students
- Instruct the students to complete the worksheet by writing the number representing a word or phrase in the left column in the space provided for the corresponding definition in the right column
 - If necessary or appropriate, complete the first match together as a class, and then allow students to complete the activity independently
- Collect the worksheets or correct them together as a class

Variations

- Allow students to complete this activity in pairs or small groups
- Create a gallery walk with a different activity at each station (i.e. Tar jar, Out of breath, Choose to be tobacco-free scenarios, each of the worksheets)
