## **16.2 ACKNOWLEDGEMENTS**

The project team would like to thank the following organizations for contributing to this study (in alphabetical order):

Agriculture and Agri-Food Canada  
Bakker Nurseries  
Canadian Environmental Assessment Agency  
City of St. Catharines  
Environment Canada  
Flowers Canada  
Grape Growers of Ontario  
Kraft Canada  
Leamington Area Drip Irrigation Association  
Long Point Region Conservation Authority  
Ministry of Agriculture & Food  
Ministry of Environment  
Ministry of Natural Resources  
Niagara Board of Control  
Niagara Escarpment Commission  
Niagara North Federation of Agriculture  
Niagara Peninsula Conservation Authority  
Niagara Peninsula Fruit & Vegetable Growers' Association  
Norfolk Land Stewardship Council  
Ontario Power Generation  
Ontario Tender Fruit Producers Marketing Board  
Regional Municipality of Niagara  
St. Lawrence Seaway Management Corporation  
Town of Lincoln  
Town of Niagara-on-the-Lake  
Trouts Unlimited

In addition to the above organizations, discussions with several individual growers during site visits, public information centers, and meetings, and through telephone calls and email communications have significantly contributed to this study and are greatly appreciated.
