

A NEW DOMAIN NAME

**On September 30, Niagara Region is changing its domain name to:
www.niagararegion.ca**

This change makes it easier for citizens to type in our domain name to access information they need about regional government, our programs and services.

**As well, note that all e-mail addresses for Niagara Region employees and regional councillors will be changing to this form:
`firstname.lastname@niagararegion.ca`**

Please update your bookmarks, any website links, and contact information to reflect our new domain name. Thank you.

Questions? Call 905-685-4225 ext. 3218.
