Construction Notice to Residents Update – Full Road Closures on Ridley Road

Contract No. 2023-T-249 - GO Station Precinct Development Project

Please be advised that the City of St. Catharines, as part of a Niagara Region capital project, will be performing trenchless sewer renewal work on Ridley Road scheduled from *July 7 to July 11, 2025*, as part of **Contract No. 2023-T-249**. While some road closures and extended working hours are expected during this time, this sewer lining method will minimize the length of disruption compared to sewer replacement by open cut excavation methods.

The proposed schedule is weather dependant and work by Rankin Construction Inc. and their subcontractors will be completed efficiently to ensure roads are reopened as soon as possible. Rankin Construction Inc. will deliver separate notices to notify those properties that will have no driveway access. All sanitary will be pumped continuously down the system and no interruptions will occur to your sanitary lateral.

The unplanned disruptions to water services in your area that occurred from June 16th to June 24th were the result of older infrastructure and the City of St. Catharines commends Rankin Construction Inc. who worked tirelessly to repair the infrastructure in addition to the new watermain work. Thank you for your patience during this time.

Full road closures are expected according to the following schedule and Figure 1 below:

PHASE 1 - 8:00 AM Monday July 7, 2025 to 5:00 PM Tuesday July 8, 2025 - Ridley Road closed at McDonald Street to Henrietta Street (one lane open on Dexter Street)

PHASE 2 - 8:00 AM Wednesday July 9, 2025 to 12:00 PM Friday July 11, 2025 - Ridley Road closed at Ambrose Street to Dexter Street

The St. Paul Street West CN Rail bridge closure detours are in place:

Vehicle access Henrietta Street to Louth Street:

- Henrietta Street to St. Paul Street West
- St. Paul Street West to Pelham Road
- Pelham Road to Louth Street

Vehicle access Louth Street to Henrietta Street:

- Louth Street to Pelham Road
- Pelham Road to St. Paul Street West
- St. Paul Street West to Henrietta Street

Please follow **Municipal511.ca** for real-time information on Niagara Region road closures and construction updates and Niagara Region’s website <https://www.niagararegion.ca/projects/stpaul-go-precinct-development/default.aspx> for upcoming project updates, road closures and related detour routes.

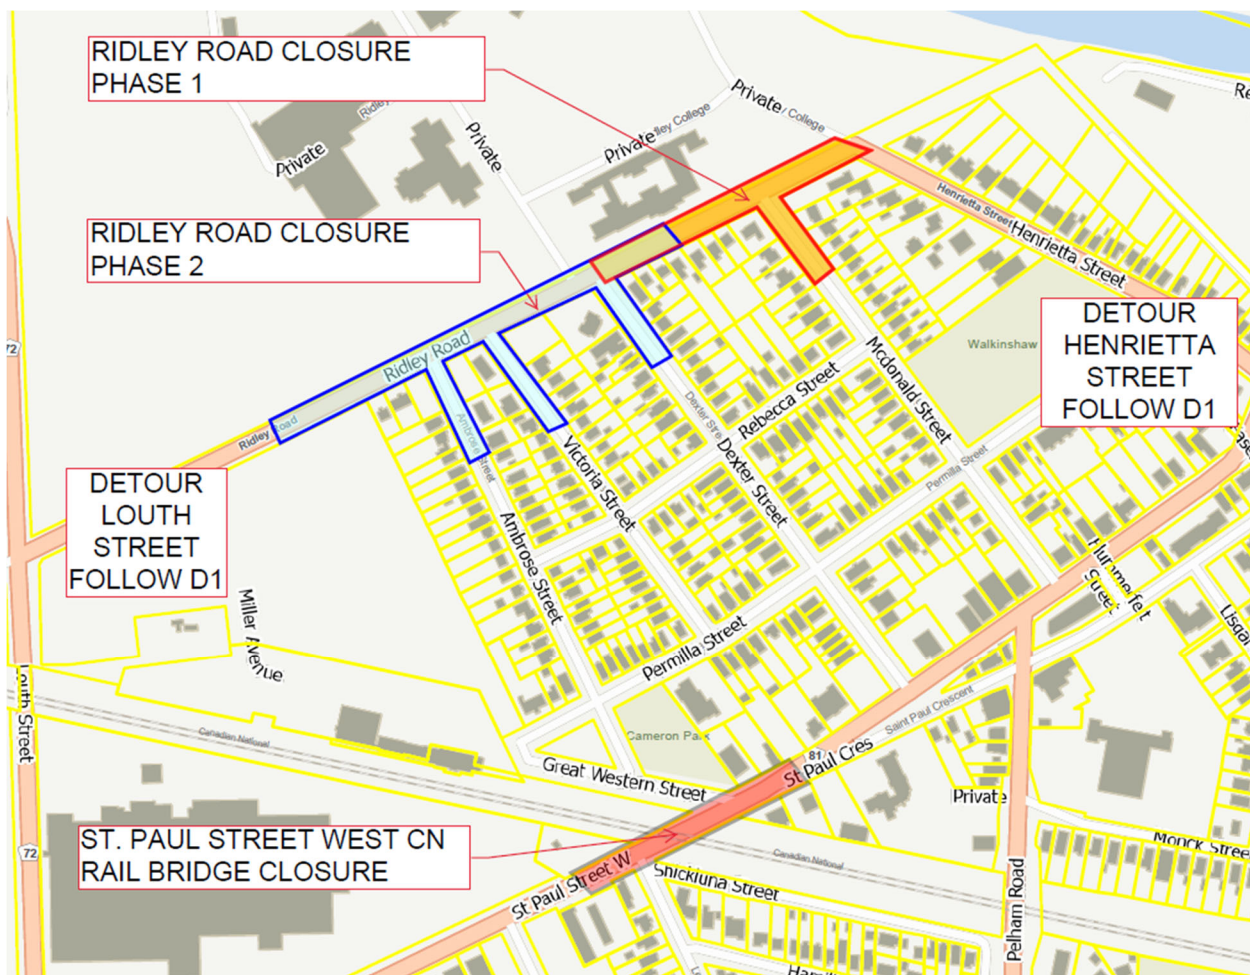

Figure 1 – Ridley Road Closures July 7 to July 11

Work is expected to be continuous into night work periods on the following dates and will be performed under a Noise Bylaw 95-198 exemption:

Monday, July 7, 2025 into Tuesday, July 8, 2025
Thursday, July 10, 2025 into Friday, July 11, 2025

The night work will include construction equipment noise and sewer bypass pumps running with silencers.

The Region's construction inspector for Ridley Road is:

Marko Zelenbaba, cell phone **905.324.6951** – **Civil Inspector**

Marko can be contacted for information or to identify concerns specific to the respect construction works. Rankin Construction Inc. emergency contact is 905-682-2078 between the hours of 5 pm and 7 am.

Should you have any questions or encounter any problems during the work, please feel free to approach our construction inspector, **Marko** on site. You may also contact one of the following individuals:

Wendy Eitzen, P.Eng.
Design and Construction Engineer
City of St. Catharines
50 Church Street
St. Catharines, ON L2R 7C2
