

### Cannabis Kahoot

Time: 30 minutes

#### Materials:

- Kahoot Question Sheet

#### Instructions

- Go to <https://create.kahoot.it/login> and have your School Health Nurse login using our Healthy Schools login information
- Have students open the Kahoot app or visit <https://kahoot.it/> on their device and enter the game pin provided
- Students will then enter a nickname for themselves
- Once all students have entered the game, click start to begin the game
- Use the Kahoot Question Sheet as a backup if technology does not persist play

#### Discussion

- What surprised you?
- What facts do you think are most important/relevant? Why?

#### Variation

- Have students play the kahoot in small or large groups to make it more competitive!
