

Differing abilities – Spot the sign matching game

Time: 20 minutes

Materials

- Spot the sign matching cards

Instructions

- Shuffle and spread the Spot the sign matching cards across a table face down
- Have the students turn one card over and name the card out loud
- Then turn another card over and name it out loud
- If the cards are a match, place them to the side of the game, and then draw again
- If the cards are not a match, flip both cards over and start again
- The goal is to find all the matching sign cards that students may see on the road

Variations

- Individually or in groups, have students create their own sign or rule that can be used in the classroom
- This will help the students understand the importance of signs and following the rules
