Dear Resident:

**Pre-construction Survey for
Beaverdams SPS Upgrade Forcemain Upgrades
City of Thorold
Our File: O.01.09 99 20000697**

Please be advised that in the next several weeks, a pre-construction survey will be conducted in your area by DBA Services.

This survey is necessary to begin construction of the Beaverdams Pumping Station and Forcemain replacement in the City of Thorold. The purpose of this survey is to identify any pre-existing damage at nearby properties and structures before the start of construction.

Niagara Region respectfully requests that you allow the staff of DBA Services access to your property to conduct this survey.

Should you have any questions or concerns regarding this matter, please contact Gino Giancola, Senior Project Manager, Niagara Region at 905-980-6000, ext. 3735.

Niagara Region thanks you in advance for your cooperation.

Yours truly,

Gino Giancola, B.Sc., C.E.T, PMP®
Senior Project Manager
Water & Wastewater Engineering
