Memorandum

CWCD 2026-95

Subject: Councillor Information Request regarding Emergency Medical Services (EMS) Overtime Costs

Date: Friday, May 8, 2026

To: Regional Council

From: Karen Lutz-Graul, Chief, Niagara Emergency Medical Services

At Niagara Regional Council meeting held on April 14, 2026, the following Councillor Information Request was made by Councillor Bateman:

Regarding overtime costs at EMS, provide information as to whether more overtime is provided to part time staff than full time staff in addition to whether there are peak periods of overtime.

In 2025, EMS incurred total labour related costs of \$68.3 M, including \$2.43M of overtime costs for full time and part time staff. Of that, \$1.63M was paid to full time employees, and \$0.80M was paid to part time employees and therefore less overtime was provided to part time staff. Overtime entitlements are administered in accordance with policy and collective agreement requirements. There does not appear to be a consistent time period where the cost peaks.

Respectfully submitted and signed by,

Karen Lutz-Graul, B.Sc.C.P., ACP
Chief, Niagara Emergency Medical Services

NOTES

NRPS, NRH and NTC are not included in the datasets outlined herein as these agencies operated under their own Procurement By-law and/or Governing Bodies.

Registered supplier data is unaltered and includes construction agencies as registered suppliers.

Completed submission data includes all submissions received, including those that were determined to be non-compliant.

Competitive procurements are counted based on the procurement process rather than the number of suppliers awarded. A single competitive process that results in multiple supplier awards is reported as one competitive procurement in the Corporate Competitive Procurement Awards Between \$100,000 and \$10,000,000 report. However, each individual award is identified in the appendix for reference.

Subject: Seniors Services Showcase

Date: Friday, May 8, 2026

To: Regional Council

From: Paolo Varias, Director, Seniors Services

On behalf of Seniors Services, I am pleased to invite you to an upcoming Seniors Services Showcase.

Seniors Services supports older adults across Niagara through long-term care and community-based programs. This showcase will provide an opportunity to see firsthand how our teams are enhancing quality of care, advancing person-centred approaches, and responding to the evolving needs of our aging population.

Through interactive displays and conversations, staff will share:

- Key initiatives and innovations
- Partnerships that strengthen service delivery
- Successes, opportunities, and challenges shaping the future of care

The event also recognizes the dedication of our staff and the meaningful impact of their work with residents, clients, and families.

Event Details:

Date: May 12, 2026

Time: 9:00 AM – 1:00 PM

Location: Regional Headquarters Atrium

We hope you will have an opportunity to join us.

Respectfully submitted and signed by

Paolo Varias, RN, GNC, MSc, MMgt/IMHL
Director, Seniors Services

Memorandum

CWCD 2026-99

Subject: Water and Wastewater Services Statement of Financial Position

Date: Friday, May 8, 2026

To: Regional Council

From: Beth Brens, Director, Financial Management & Planning/Deputy Treasurer

The purpose of this memorandum is to provide Regional Council with the Water and Wastewater Services' Statement of Financial Position as at December 31, 2024. This responds to Councillor Olson's request made at the March 11, 2026 Corporate Services Committee meeting during Other Business. The Statement of Financial Position ('Statement') specific to Water and Wastewater Services ('Services') is included as Appendix 1 to CWCD 2026-99.

The following provisions should be considered with respect to the information contained within the Statement:

- While the Region prepares annual audited consolidated financial statements that encompass all departments and controlled entities, the Statement has been prepared separately using internal records and has not been audited;
- The Statement falls outside the Region's standard consolidated financial reporting processes and due to the complexities associated with departmental consolidation and corporately managed accounts, it may not be fully represented;
- Certain accounts and balances, including but not limited to cash and employee liabilities, are managed corporately and therefore not included;
- The Statement has been prepared in accordance with Canadian Public Sector Accounting Standards (PSAS) with the exception of including note disclosures; and
- In accordance with PSAS, the Statement includes reference to accumulated surplus, which represents the net asset position of the Services. This does not represent the actual annual operating surplus or net reserve positions of the Services as reported in CSD 8-2025, 2024 Year-End Results and Transfer Report.

This memorandum is intended to provide Council with the financial position of Water and Wastewater Services on a standalone basis and is for information purposes only in consideration of the provisions noted above.

Respectfully submitted and signed by

Beth Brens, CPA, CA
Director, Financial Management & Planning/Deputy Treasurer

Niagara Region

RE: From Niagara to Oakville: Help Shape the Future of Lake Ontario's Shoreline

Background

Communities along Lake Ontario's shoreline are invited to take part in a major new collaborative initiative focused on preparing for the growing impacts of flooding, erosion, and extreme weather.

The [Lake Ontario Coastal Resilience Pilot Project](#) brings together the Niagara Peninsula Conservation Authority (NPCA), Conservation Halton, and the Hamilton Conservation Authority, in partnership with Conservation Ontario, Indigenous partners, municipalities, and other regional collaborators.

The project combines science with lived experience – pairing detailed shoreline analysis with local knowledge from the people who know these shorelines best. Together, we will build a clearer picture of coastal risks like flooding, erosion, and storm impacts.

By working together and using the best available science, a Coastal Resilience Management Plan will be developed, with practical short- and long-term actions to support community safety and shoreline sustainability along approximately 100 kilometres of the Lake Ontario shoreline.

Community Engagement

We want to hear from you! Public engagement is at the heart of this project, and there are several ways to [get involved](#):

- **Drop a pin on the interactive map** – tell us what you value about the shoreline, where you spend time, and what you have seen change over the years.
- **Fill out the public survey** – share how you use the shoreline, your favourite spots, and what matters most to you as we plan for the future.
- **Attend an open house** – meet the project team, ask questions, and be part of the conversation.

Upcoming Open Houses

Residents are invited to learn more about local shoreline risks, ask questions, and provide input at upcoming open houses in their communities.

St. Catharines

Date: Tuesday, May 5, 2026

Time: 2:30 p.m. – 5:00 p.m.

Location: Club Lasalle,
111 Arthur St., St. Catharines ON L2M 1B7

Grimsby

Date: Tuesday, May 5, 2026
Time: 6:30 p.m. – 8:30 p.m.
Location: Peach King Centre,
162 Livingston Ave., Grimsby ON L3M 5P7

For More Information

Input from shoreline communities and insights from partners and community groups will guide solutions that protect what matters most – our homes, natural spaces, infrastructure, and shared shorelines – for generations to come.

RE: Provincial Bill 100 – Better Regional Governance Act, 2026

Please be advised that at its Regular meeting on May 6, 2026, Council of the Township of Springwater passed the following resolution:

Resolution C203-2026

Moved by: Deputy Mayor Cabral

Seconded by: Councillor Moore

Whereas Bill 100, the Better Regional Governance Act, 2026, introduced in the Legislative Assembly of Ontario, proposes significant changes to the governance structure of upper-tier regional municipalities, including the County of Simcoe; and,

Whereas the proposed legislation would authorize the Minister of Municipal Affairs and Housing to appoint the Warden of the County of Simcoe, rather than maintaining the longstanding practice of selection by County Council; and,

Whereas the County of Simcoe is comprised of 16 member municipalities, each represented at County Council, forming a governance model rooted in local representation and accountability to residents; and,

Whereas residents expect that those exercising authority over local decision-making are accountable to the communities they serve, and not appointed by or primarily aligned with the provincial government; and,

Whereas Bill 100 proposes a reduction in County Council composition and introduces the potential for provincially regulated weighted voting, creating uncertainty regarding equitable representation among member municipalities; and,

Whereas the Province has indicated its intention to extend “Strong Chair” powers to the Warden of the County of Simcoe, thereby concentrating decision-making authority in a single office; and,

Whereas such concentration of authority may alter the balance of municipal governance and reduce the role of council-based decision-making; and,

Whereas the introduction of Strong Chair powers at the upper-tier level may give rise to governance challenges where alignment between the Head of Council, Council, and the communities they serve is not maintained; and,

Whereas municipal professional associations have cautioned that such a governance model may place senior municipal staff in a difficult position that may undermine their neutrality and professionalism, and there continues uncertainty and concern among residents regarding the concentration of authority in a single office and the reduced role of councils; and,

Whereas the Township of Springwater has previously expressed opposition to the expansion of “Strong Mayor” powers and has consistently supported transparent, accountable, and locally driven governance structures that respect the role of elected councils and reflect the interests of residents.

Now Therefore Be It Resolved That:

The Council of the Township of Springwater opposes Bill 100, the Better Regional Governance Act, 2026, in its current form; and,

That Council opposes the appointment of the Warden of the County of Simcoe by the Province, and affirms that the Warden should continue to be selected through a process that ensures accountability to the residents of Simcoe County; and,

That Council opposes the extension of “Strong Chair” powers to the Warden of the County of Simcoe, given the significant shift in governance authority and its potential impacts on local democracy, council function, and municipal administration; and,

That Council expresses concern regarding the potential introduction of provincially regulated weighted voting rules, and the absence of a clearly defined framework ensuring fair and equitable representation for all member municipalities; and,

www.springwater.ca

**2231 Nursery Road
Minesing, Ontario
L9X 1A8 Canada**

That the Government of Ontario be requested to amend Bill 100 to preserve local democratic authority, maintain council-based governance structures, and ensure that upper-tier municipal leadership remains accountable to local councils and communities; and,

That the Government of Ontario be further requested to undertake meaningful consultation with affected municipalities, including the County of Simcoe and its 16 member municipalities, prior to advancing any legislative or regulatory changes impacting municipal governance; and,

That this resolution be circulated to the Minister of Municipal Affairs and Housing, Members of Provincial Parliament, the Association of Municipalities of Ontario, the County of Simcoe, and all Ontario municipalities, for their consideration; and,

That this resolution also be shared with local media outlets to reflect community concerns and to clearly communicate the Township of Springwater's position to its residents.
